

# CHILDREN'S LEXICON of the BIBLE

*Children's Lexicon  
of the Bible*

## *DEDICATION*

*By Bro. Ray Pringle*

This book is the result of a labor of love, that is, God's true love, dedicated to parents who truly desire to save their children, and to pastors and Sunday School teachers who strive to save every child they have the opportunity to teach and reach for Jesus Christ.

My beloved, Bible stories will not save our children. Stories are what children hear almost everywhere -- from the pulpit, in the home, and in Sunday School classes. Our children and youth must hear and learn the Word of God "to make them wise unto salvation." God's Word, taught exactly as the Holy Scriptures are written, creates faith and the Fear of God in a child, as well as any individual. "Thy word have I hid in mine heart, that I might not sin against thee." Psalm 119:11. And it still is true "that by the fear of the Lord, men depart from evil." Proverbs 16:6. Be sure to use scriptures when telling Bible stories as "thus saith the Lord," to the very youngest child.

The only solution to our tormenting juvenile and youth problems is for parents, teachers, and preachers to teach the Holy Scriptures per se -- that is, quit telling stories about the Bible, and start teaching the BIBLE.

You see, my beloved, Jesus declared, "The words that I speak unto you, they are spirit, and they are LIFE." John 6:63. And further, "So then faith [saving faith] cometh by hearing, and hearing by the word of God." Romans 10:17.

Jesus said, "Suffer [permit] little children to come unto me, and forbid them not: for of such is the Kingdom of God."

Luke 18:16

## *Preface*

This book is written to magnify the Word of God – for “thou [God] hast magnified thy word above all thy name.” Psalm 138:2. It is the parents’ responsibility to teach their children God’s Word. God has commanded parents thusly, “Teach them [my words] diligently unto thy children, and talk of them when thou sittest in thine house, and when thou liest down, and when thou risest up.” Deuteronomy 6:7. This book will be a great tool and spiritual compass to Sunday School teachers and preachers also.

Here’s a warning: don’t let some dumb smart-aleck preacher or anyone else tell you that your child or children don’t understand the King James Version, the only true version of the Holy Bible, my beloved friend or parent. You understand it, and if you’ll teach it to your children at home or at church, they will comprehend God’s words that will make them “wise unto salvation through faith which is in Christ Jesus.” II Timothy 3:15.

I started grammar school at the tender age of five in 1926. State law required reading of the Bible in the classrooms every day. Teachers read to us from the King James Version of the Bible. There were in the classroom church kids such as I, but mostly unchurched kids having unsaved parents and no home Bible teaching. Did we *all* understand what the schoolteacher read to us from the Holy Bible? Yes, Yes, Yes! All of us. We *all* understood the thee’s, thou’s, thy’s, yea’s, nay’s, thine’s, etc. We understood the Beatitudes, the Lord’s Prayer, and the Sermon on the Mount by Jesus Christ. We knew that the Ten Commandments were God’s laws we must obey. We knew about Heaven and Hell – and we *all* believed God’s Word, and the Fear of God was in us. Now, it’s these hypocritical preachers and theologians and phony “Christians” who publish and teach

from these perverted Bibles and cry out, “our children can’t understand the reliable and proven King James Version.” Look out! These people are misleading and lying to you and your children, mother and dad – preacher and your congregation.

This children’s Bible study is not exhaustive, but it is foundational. “If the foundations be destroyed, what can the righteous [parents] do?” Psalm 11:3. Little children, big children, and parents, all will rejoice and be inspired as you study together all phases of this lexicon study source of Truth. You will note that in the answer of nearly all the questions asked, it will begin with the abbreviation *Cf.* It means to compare or consult further the scripture reference.

There are answers to over 300 questions to study and learn from, besides portions of scriptures to memorize, Bible stories to study and narrate to your children, and to learn where Christ was revealed in all 66 Books of your Holy Bible in this little book, that’s anointed by the Holy Ghost.

Now, parents and grandparents, start your Bible classes today. Don’t delay. It could be the difference of Heaven or Hell for your children or grandchildren you love dearly. The devil is stealing most young people from their parents and Jesus because of carelessness and procrastination – the thief of time! “Wherewithal shall a young man [or young woman] cleanse his way? by taking heed thereto according to thy word.” Psalm 119:9. And, ladies and gentlemen, I am not a novice in the service of my Lord and Master, Jesus Christ. After 58 years of faithful service to my Lord, my wife Naomi and I have raised and trained many children and grandchildren. I have proved the success and power of this study guide, through the Grace and Love of God, to bless and help you save your family. You can write us for more copies of this book to share with other parents and their bewildering offspring.

Brother Ray Pringle

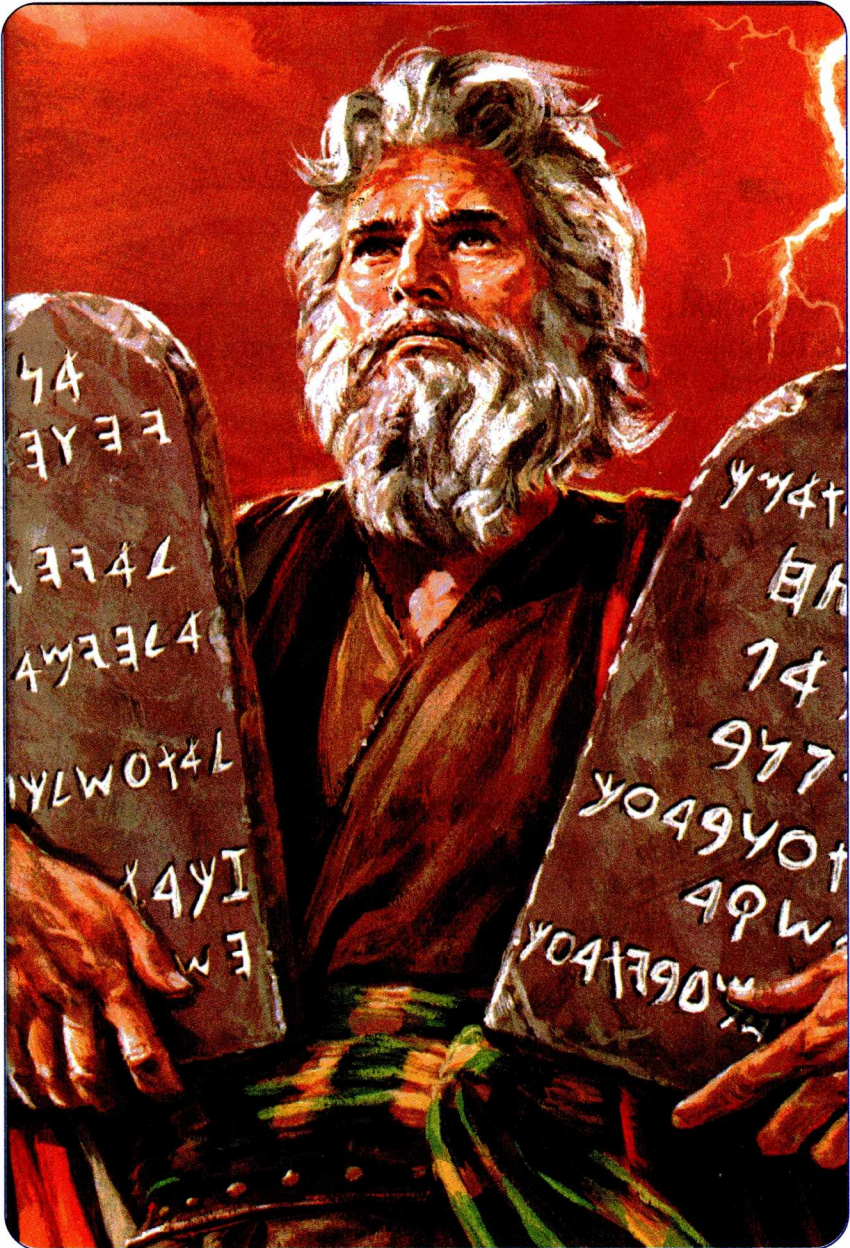

## *The ABC's of the Bible*

Every child must be taught the definition and meaning of words in the Bible as well as any other book – even the very simple or elementary words. So then, why the yell and cry of these dishonest and blind theologians that children don't understand the true Word of God, the King James Version of the Bible? Our children can and will learn the Truth as recorded in the KJV Bible if honest parents and teachers will teach them diligently.

Most children, from two years old until their mid-teens can easily learn and memorize information.. They will learn and quickly grasp the definition of thee, thou, thy, thine, ye, jot, tittle, raca, even grace – primary words. Also by diligent teaching they can absorb and comprehend advanced Biblical words such as lasciviousness, covetousness, concupiscence, emulations, seditions, heresies, idolatry, variance, and a few others. These words should be avoided until the child is six or seven years old; by then their maturing minds will memorize the definitions quickly.

As the title of this book, LEXICON, implies, it is an arrangement of verses and words from the Holy Bible, in language and definitions that are distinct, and gives the true sense and the meaning to the youngest, just as well as to the adults who study its message.

*CHILDREN'S BEDTIME PRAYER*

Dear Father in Heaven,  
Now I lay me down to sleep,  
I pray, dear Lord, my soul to keep,  
If I should die before I wake,  
I ask thee, Lord, my soul to take.

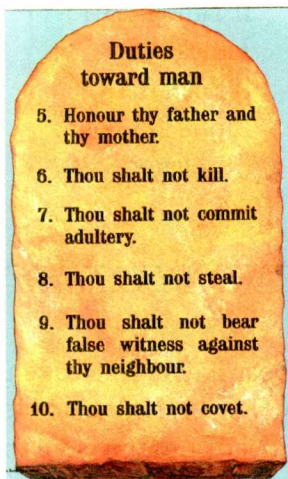

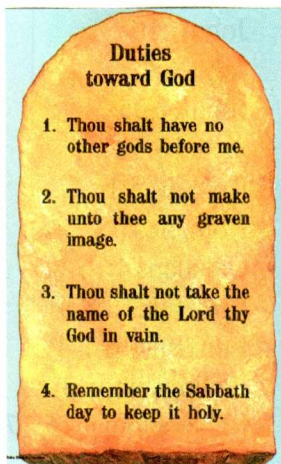

Thank You for good health and food,  
For all You give is very good;  
Do keep us in Thy loving care,  
And please, dear Lord, our burdens bear.

In Jesus' Name,

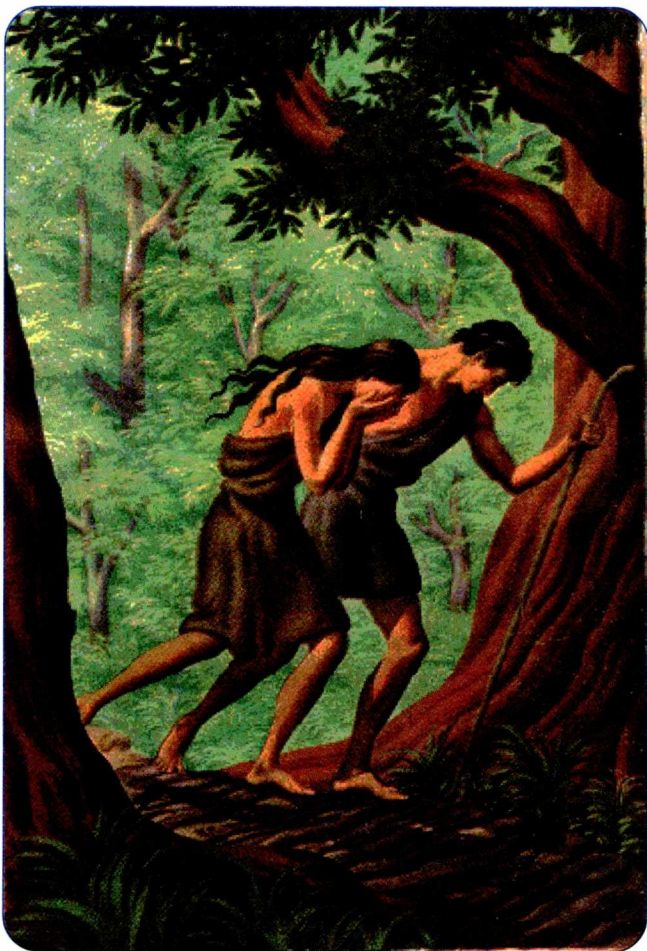

AMEN.

Psalm 4:8
